

Block Parties

A block party is just that—it is a party in which we bring resources and Christ-centered entertainment to the block to begin the process of change. When the date is set, we send teams of prayer warriors onto the block and surrounding areas to pray and pass out literature promoting the event.

Plan the agenda: who will perform, speak, sing, dance, act and so on. Booths that will fill immediate and long-term needs are planned and representatives from all the different areas are secured. Bags of groceries, clothing, hot dogs and drinks are handed out from the booths. People are linked to organizations providing employment, education, medical information as well as referrals for addictions treatment, child services and local community contacts. We also unite the local pastors with the people from the neighborhood who are seeking spiritual guidance.

Your people will rebuild the ancient ruins and will raise up the age-old foundations; you will be called Repairer of the Broken Walls, Restorer of Streets with Dwellings. -Isaiah 52:12
