

### **How can a local church participate in Global Day of Prayer?**

As local church leaders consider the Vision, Mission, Purpose and Core Values of the GDOP, they often find effective ways to be involved.

There are three simple steps to participate as a local church in the Global Day of Prayer.

1. Enlist some people—it can be a few or many—to pray in some way throughout the ten days of prayer, May 17-26, 2012. Print the *Ten-Day Prayer Guide* for these and others.
2. Plan on incorporating “A Prayer for the World” as part of your Sunday services on Pentecost, May 27, 2012. This beautiful prayer takes only 5-6 minutes to introduce and to read together. “A Prayer for the World” is available in an easily printed format as well as a PowerPoint presentation from <http://gdopusa.com/resources/a-prayer-for-the-world/>
3. Register your intentions on the website at [www.gdopusa.com](http://www.gdopusa.com). All the information that is needed is the church name, location, key person and email address.
